# INSOMNIAC Self Service Kiosks

With INSOMNIAC, visualize customers renting units and making payments at their convenience regardless of whether a manager is available. Integrated with your favorite management software, INSOMNIAC applies payments immediately, updates your reports, and knows current inventory automatically. INSOMNIAC even maintains the same security and gate policies already setup in your software, so you can run your business the way you want, when you want.

**Pick the kiosk model that is right for you:**

### Live! Megan Plus™

Live! Megan Plus is a personal touch available through the OpenTech Call Center. Kiosk users are instantly connected with a live Storage Counselor via 2-way video & voice conference. The Storage Counselor can walk the consumer through the rental, lease & payment process and even control the kiosk for them.
